Visa On Arrival & Visa Exemptions Arrangement;

- **The Government of Indonesia has now made Visa On Arrival & Visa Exemption Arrangement accessible at more points of entry.**
- **Visa On Arrival (VOA), single entry is now available for citizens of 72 countries for those entering Indonesia via Bali, Jakarta, and Manado airports.**
- **VOA is valid for stay of up to 30 days and can be extended for a maximum 1 time at the local Immigration Office (charges apply). VOA cost: IDR 500,000 (approx. EUR 32 / USD 35). Payment can be done by: Visa, MasterCard or Debit Card or Cash Indonesian Rupiah (IDR).**
- **Visa Exemption Arrangement (VEA). Available to ASEAN travelers, but you cannot extend this visa beyond your 30 day stay.**

RT-PCR Test on arrival no longer required for fully vaccinated international travelers.

When traveling to Indonesia rules may still change at short notice. It will be the responsibility of all guests to ensure that they meet the requirements to leave and enter the country of (return) destination. While we will do our best to assist, the fulfillment of the requirements is the responsibility of the passenger. Before traveling, we suggest taking advice from your airline carrier(s) and local Embassy of Indonesian, to ensure you are familiar with the current exit/ entry guidelines set by them.
